

REQUIRED DOCUMENTATION AND CONDITIONS FOR CONDUCTING TRAINING

The following conditions are required to obtain our approval for performing a ski school, holding a training course and granting a 40% discount on a valid ski pass price list:

- Submit a club registration certificate from the competent institution;
- Provide a signed contract for the insurance of users of ski services from the consequences of a ski accident;
- Provide copies of valid licenses of ski instructors for the training period that you specify or have the appropriate certification;
- Submit a signed statement from the responsible person that the training will be provided without compensation;
- Submit a signed statement that, if necessary, provide immediate medical assistance to the skiing student;
- Submit a signed statement that coaches/instructors will have a first aid kit provided during ski instruction;
- Submit a signed statement that the maximum number of students per group will be 10;
- Submit a signed statement that ski instructors will prominently wear signage and clothing that clearly identifies them as ski instructors;
- Submit a signed statement that ski students up to 15 years of age will be provided with fluorescent vests and safety helmets;
- Submit a signed statement that the coaches / instructors will make sure that the ski students use adequate ski equipment that guarantees the safety of the students;
- Submit a signed statement that the coaches / instructors, members and students will abide by the obligations related to behavior at the ski resort, prescribed by law and the A.D OC Jahorina Regulations governing the ski resort.

In view of the above, you need to provide proof of compliance with the above conditions to the Ski Association of Bosnia and Herzegovina.

After submitting the necessary documentation, pursuant to Article 61, Paragraph 2 of the Law on Public Ski Resorts of Republika Srpska, you will be informed on the conditions and locations where you can train and teach skiing at the Olympic Center Jahorina.
